

**CENTRAL FLORIDA EXPRESSWAY AUTHORITY  
NOTICE OF REQUEST FOR QUALIFICATIONS TO PROVIDE  
DATA SERVER TRAVEL TIME SYSTEM  
OPERATIONS AND MAINTENANCE SUPPORT  
CONTRACT NO. 001547**

Central Florida Expressway Authority (CFX) requires the services of a qualified contractor to provide operations and maintenance support services for Data Server Travel Time System. The Data Server and software are used to calculate and display travel times on the Dynamic Message Signs (DMS) located throughout the system. Services to be provided include: 24/7 phone support, database administration, configuration updates, patch management, system monitoring, server hardware and device troubleshooting, and maintenance documentation and system enhancements identified by CFX. The contract term for this service will be an initial 5-year term with 5 one-year renewals.

For the full version of this notice with additional information regarding the availability of proposal documents, services required, instructions/information for proposers, scoring of proposals, selection process, D/M/WBE participation, and other requirements, refer to the CFX web site at [www.cfxway.com](http://www.cfxway.com) or visit the CFX office at 4974 ORL Tower Road, Orlando, Florida 32807.
