

**NOTICE TO PROFESSIONAL ENGINEERING CONSULTANTS
REQUEST FOR LETTERS OF INTEREST FOR
CONCEPT, FEASIBILITY, AND MOBILITY (CF&M) STUDY FOR THE PROPOSED
OSCEOLA -BREVARD COUNTY CONNECTOR PROJECT
CONTRACT NO. 001595, PROJECT 599-229**

Central Florida Expressway Authority (CFX) requires the services of a Professional Engineering Consultant to conduct a Concept, Feasibility, & Mobility (CF&M) Study for the proposed Osceola - Brevard County Connector. The project is located within Osceola & Brevard Counties and consists of an approximately 30-mile new-location expressway connection from the proposed terminus of the Osceola Parkway Extension expressway at Nova Road in Osceola County eastward to Interstate-95 (I-95) in Brevard County. Proposed interchange connections will be considered with the potential Northeast Connector Expressway Extension, Deer Park Road, and the project's eastern terminus at I-95. The services shall be provided and performed to an acceptable level of evaluation, including but not limited to: investigation and analysis of all transportation, social, economic, and human and natural environment effects; preparation of the required level of environmental and engineering documentation; and providing necessary public involvement services and assistance. The required services and documentation will be those necessary to prepare a Concept, Feasibility, & Mobility Report.

For a full version of this notice including additional information regarding types of work, prequalification requirements, Letters of Interest Submittal Requirements and deadline, selection process, Equal Opportunity Statement and D/M/WBE Participation, Code of Ethics, Conflict of Interest, and Non-Solicitation Provision refer to CFX's web site at www.cfxway.com or visit CFX's office at 4974 ORL Tower Road, Orlando, Florida 32807.
