Past performance on CFX projects will also be considered as indicated above. Scores for each category identified above will be determined using a weighted system. Each category has been assigned a weight factor that will be multiplied by a grade to determine the score. The assigned weights to each category are as follows: Technical Experience (8); Proposed Staffing (10); Project Approach (6); Location of Firm (4); D/M/WBE Utilization (3); Current and Projected Workload (3); Volume of Work Previously Awarded (-3). Grades for each category will be between 0 and 4. Scoring of Past Performance will have a weight of 6 and a grade range between -2 and 2. If the Committee member has no knowledge of the firm or its past performance on CFX projects then the grade shall be zero.

Shortlisting of firms will be based on converting each Committee member's Total Score into a ranking with the highest score ranked first, second highest ranked second, etc. Once converted, the Committee members' rankings for each firm will be entered into a summary sheet. The Total Score recorded on the summary sheet will determine the ranking and shortlisting.

Shortlisted firms will proceed to the next step in the process which includes preparation and submittal of a Technical Proposal and an oral presentation. No changes shall be made in the personnel proposed in the Letter of Interest for the Resident Engineer, Project Administrator, Contract Support Specialist, or Senior Inspector (Roadway/Bridge) positions employed by the firm or subconsultants without the written approval of CFX. The request for approval shall include the reason for the change and a resume of the proposed replacement. CFX will provide the shortlisted firms with a Scope of Services for use in preparing the Technical Proposal together with a set of preliminary construction plans. Each firm will be evaluated and ranked by CFX's Technical Review Committee based on the Technical Proposal and oral presentation/interview. The highest ranked firm will be presented to the CFX Board for approval and authorization to negotiate fees and expenses.

**CONFLICT IN CONTRACTUAL OBLIGATIONS:** The selected firm and its subconsultant(s) shall not enter into any other contract with CFX during the term of the contracts which would create or involve a conflict of interest with the services to be provided.
